Celebrity CONTRACTOR

Stephen Fanuka: From humble beginnings to custom interiors for A-listers

words: Sal Vaglica | photos: Matt Furman

"Contractor to the Stars" Stephen Fanuka works on some of the highest-end properties in NYC for clients like Beyoncé, Michael J. Fox, Tony Bennett, Tina Fey and soon Bruce Willis. He credits his success to his father, Radenko, who Stephen described as unequivocally old school. It was his father who founded the family cabinet making business, but it's the younger Fanuka who transformed it into the renovation firm the biggest celebrities seek out for their personal projects. And in the process, he's become a star of his own...
